

RETICULA End User License Agreement

When you purchase fonts, you actually purchase a license to use them on a certain number of computer devices (CPUs).

This is a end user licence agreement (EULA), between RETICULA, represented by Vincent Wicky-Demaria, and the end user (licensee) please read carefully.

§ 1. Definition

A font software (herein called «font» or «typeface») is a computer file containing a coordinated set of scalable outline glyphs and spacing information («metrics» and «kerning»).

§ 2. Intellectual property

The font software and the related documents offered by RETICULA are the intellectual property of Vincent Wicky-Demaria / RETICULA.

§ 3. License Grant

Upon full payment of the licence fee, RETICULA grants the Licensee a non-exclusive and non-transferable right to use the font software and to save it on a maximum of five (5) workstations (CPU's) at one single geographical location. In the event that additions to the above-mentioned restriction become necessary, the Licensee must purchase a multi-user license (MUL).

The Licensee may install the font software files on one single server and use them on one single local area network (LAN) only when the access to the font software files is limited to those workstations and printers belonging to the unit for which the licence was granted. The font software may not be installed on a server that can be accessed through the Internet or another external network by workstations that do not belong to the unit for which the licence was granted.

Additional copies of the font software are authorised only for the purposes of backing-up data.

Transferring the license to a third party is strictly prohibited in any circumstances under this EULA. Granting sublicenses is also strictly prohibited.

§ 4. Usage restrictions

The following is prohibited:

- modifying the font software,
- to decompile, transform, blend, adapt the font software and its content (including glyphs, metrics info, kerning info, OpenType features info)
- create derivative works of the font software
- modifying in any form or manner the Font(s), Font names and trademarks used in the Font Software.

§ 5. Electronic publishing

Embedding of the font software into electronic documents (i. e. PDF or Flash files) or internet pages is permitted only in a secured read-only mode. You must ensure that recipients of these documents or pages cannot extract the font software.

§ 6. Any violation by you of this agreement shall constitute a termination of this license.

RETICULA / Vincent Wicky-Demaria reserves the right to immediately terminate the EULA while reserving the explicit right to assert any further claims, such as damage compensation. In the event that the EULA is terminated, the Licensee is obligated to delete the Font Software from all media and to provide written assurance that said deletion has occurred.

§ 7. Warranty and pricing

Font software may not be returned or exchanged unless defective. Defective software shall be replaced by the same software if accompanied with purchase receipt and if RETICULA / Vincent Wicky-Demaria is notified within 30 days of purchase.

RETICULA / Vincent Wicky-Demaria cannot be held responsible for any damages caused or borne by the end user and/or third parties resulting from a misuse of the Font software and/or packages described above.

The price includes all applicable taxes.

§ 8. Final provisions

The rights and obligations of the parties arising from this EULA are based on french law, even in the event that the exertion or breach of contractual rights takes place in a foreign country. Competent court: Toulon, Département of Var (83), France.

This license agreement contains two pages.
